Inspiration. Ensemble. Artistry. Transformation.

Hello from your friends at Portland Opera!

As people, we all have our differences- our unique stories, experiences, and sensibilities. Yet we all laugh, despair, get angry, love, and live in the absurd world together. And in this sense, we are each what makes opera, well, opera.

It's an art form that Portland Opera has honed for nearly 60 years, one that heightens our joys and can express the deepest sorrows of the day. It transforms our experiences into shared stories that are larger than life- it always has.

Our community is what makes the language of opera universal, and we can't wait to create each note and moment together. You share this Portland community with us, and we are excited to find ways that we can build in partnership.

In our 2022/23 season, Portland Opera emerged from the pandemic and returned to the stage with great joy. We started our season with the cultural touchstone and iconic masterpiece, *Carmen*, in November. This spring, we present *Thumbprint*, which explores a fight for justice and a beacon of hope. April brings *Rusalka*, Dvorak's opera of a mermaid in love with a prince.

To conclude this truly spectacular year, we present [ABSENCE](#), a one-night concert with Terence Blanchard at the Keller Auditorium on May 26th. This evening with the jazz great and celebrated opera composer will be followed by an after-party celebration to make this a truly unforgettable night of musical fusion.

As you can see, we have big plans for the year ahead, and we want you to be part of the celebration.

We hope that you will be able to join us - to set the stage for a successful ABSENCE: Terence Blanchard Concert and After Party on May 26, 2023. We can't wait to celebrate the bright future with you!

Thank you for your consideration, and your ongoing partnership.

Sincerely,

Angela Glabach-Vu
